

SHAIK AMIR

SUMMARY

Determined Software developer with skills in development and code debugging. Currently pursuing 3rd Year of Computer Science Engineering (CSE) Bachelor's degree. Innovative and creative in developing fresh designs to meet current and forecasted needs. Works great with technical and non-technical teams to coordinate on-time. Aims to Advance in the work.

EXPERIENCE

Core Tech Team Member, 09/2021 - Current
Computer Society of India (CSI MJCET) - Hyderabad, India

- Assists in conducting workshops and seminars
- Volunteered in CSI Hackathon 2022.

Software Developer, 08/2021 - Current
T- Signature - Hyderabad , India

- Actively made multiple minor projects
- Speaker at TSIG workshops
- Managed Team during various tasks

Programmer, 01/2021 - 08/2021
Team Robocon MJCET - Hyderabad , India

- Participated and achieved 15th position in International Robocon 2021 with the team
- Worked with various motors, sensors, encoders and multiple software.
- Wrote programs for Robotic controllers using C and Java programming languages.

EDUCATION

Bachelor of Engineering, Computer Science , 2024
Muffakham Jah College of Engineering - Hyderabad, India
CGPA- 8.6

Intermediate, MPC, 2020
Narayana Junior College - Hyderabad, India
90.6%

GCSEs, 2018
St. Anns High school - Hyderabad, India
GPA- 9.3

LANGUAGES

Hindi: First Language

English: C2 Proficient
Urdu: C1 Advanced

Telugu: B2 Upper Intermediate

CONTACT

Address: Hyderabad ,India,500049
Phone: +91 9177364825
